

Introducing

Catherine Myszka

human. Advisory Board Organisational Culture Lead

**CEO & Principal Consultant
Transformation Resourcing Ltd.**

Catherine is an experienced Independent Management Consultant responsible for delivering complex global transformations for her clients. Her combination of intellectual breadth and operational delivery gives her a unique empathy and understanding of the challenges of leading through uncertain times.

Catherine is a qualified accountant with a passion for lifelong learning, which includes an MBA, Chartered Manager, Chartered Management Consultant, and MENSA membership, amongst others.

A member of the LGBT+ community, of Eastern European refugee descent, personal and family lived experience of neurodiversity, and surgically induced menopause, Catherine understands the need for inclusive environments to allow all people to thrive and achieve their potential, and how being an authentic leader is a crucial part of creating them.
